PAPER SAMPLE SUBMITTED FOR YOUR APPROVAL

We have made every effort to ensure that your paper type is correct. However, ultimate responsibility of the final approval must lie with the customer. **YOU must verify the paper sample you received is the paper type you would like used on your bulk order.**

Please check ONE of the appropriate options and sign below.

Paper Approved - The paper type I received, _____ is Approved for production.

Paper Not Approved - I would like to change the paper type and acknowledge this will require updated pricing and will cause a delay in production.

Once the paper type is approved we will begin processing your order for production and you can no longer make changes to your order.

Comments About Your Proof

Please indicate your agreement with the following:

I have already approved an electronic proof of my order.

(Please initial)

I agree that the paper sample is correct and I can no longer make changes to my order.

(Please initial)

I understand that a slight variation in the color may occur between the proof book and the final production books and that this is considered acceptable.
